

Follow Jesus Today

Arriving at this page means you're interested in, or have decided to, follow Jesus.

That's fantastic! Here's how:

1. Centre your life on Jesus. Jesus calls you to a whole life commitment. He is your priority. Note that priority by its very definition means singular focus. Jesus is not one among many priorities in your life. He is THE priority. He is first. And last. He is the whole list.
2. Ask Jesus to be your personal Saviour. Give him control of your life. When you believe in your heart that Jesus died for you and that God raised Jesus from the dead and you make Jesus the Lord of your life, you are saved - forgiven. Check out Romans 10:9.
3. Tell someone else about your decision to follow Jesus. Tell a friend. Tell a pastor. Tell a parent or grandparent. Tell someone who will understand your decision and support you in it.
4. Weather the storm. Following Jesus doesn't make life easy. Following Jesus means you'll never be alone. Jesus will never leave you or forsake you. But you may find life getting more challenging - or stormy - after your decision than before. Jesus is in control.

If you'd like someone to pray with you, please ask any North Pointe Team member, and we'd love to step along side of you!
