

Steve & Patti Hertzog have a long history at North Pointe. They served on the pastoral staff here in the early 1990's and have since been involved as elders, home group leaders, missions committee members, & WM leaders... while working at Vanguard... our bible College... for 22 years.

Currently based in Bratislava, Slovakia, Steve & Patti serve as Regional Directors for PAOC International Missions in Eurasia. They oversee and empower 45 amazing PAOC Global Workers engaged in "extending the Kingdom and serving the peoples" in 18 nations from Siberia to Spain, England to Israel.

Steve's is passionate about building a healthy and effective team of leaders, churches & colleges to impact Eurasia with the gospel. Patti focuses on fighting for social justice in the region, organizing humanitarian aid, and caring for women in ministry.

Their missional priorities include:

- 1 Reaching the least reached people groups in the region
- 2 Planting churches among Eurasia's many linguistic, ethnic & national cultures
- 3 Equipping national leaders & churches to reach their own countries for Christ
- 4 Caring for the needy & marginalized in Jesus' Name
- 5 Developing awareness, support, & new workers for Eurasia in Canada

With an area spanning twelve time zones and a population of 745 million... including millions of Muslims, Jews, atheists & nominal Christians... reaching Eurasia is a big job... impossible without support from this great church. Thank you North Pointe!

Acts 16:10 "We went to work at once getting things ready. All the pieces had come together. We knew now for sure that God had called us to preach the good news to the Europeans." (The Message)
