

Volunteer With Us

Being a follower of Jesus means you serve others.

Jesus said the two greatest commandments are to love God with all your heart and love your neighbour as yourself. Volunteering at North Pointe is all about finding a fulfilling role for you, not just filling a role.

To get involved, speak to a pastor, Next Steps host, or keep an eye out for our Growth Track program.

Serving Jesus doesn't only take place within the church walls. There are many ways that you can serve at North Pointe. We're so thankful for your interest and willingness to be a part of what God is doing here!
